INFANT MARY CHURCH BAJJODI MANGALORE

AN APPEAL

GENESIS: On the foothills of Carmel Hill in Mangalore stands Bajjodi, a valley uninhabited till 1978, belonging to St. Sebastian Parish, Bendur. St. Vincent de Paul society's strenuous efforts to resettle some poor Catholic families in this valley, in the land donated by St. Antony's Ashram, creates the ambiance for a new Parish.

"He shall build a house for my name and I will establish my kingdom forever" (2 Sam 7:13). These were the words ringing in the ears of the Parish Priest and the faithful of Bendur since a couple of years. Nearly thirty years ago a few families came to settle here. Today they have grown and there are more than 340 Catholic families! To cater to the pastoral needs of these families the Bishop of Mangalore invited the Carmelites living in the vicinity to make it a parish. Now, like Solomon the responsibility of building the house for the Lord has fallen on our shoulders.

PROJECT DETAILS: The land made available for this project is about 20000 sft. The master plan consists of a spacious Church, parking space, multi-purpose hall, class rooms for catechism, office space and a Rectory. This is an expensive project we have undertaken counting on the Divine assistance and your generosity. "For God loves the cheerful giver" (2 Cor 9:7). Only your generous contribution can help us in the realization of this project.

Financial plan: The names of those who contribute the following will be engraved on a Marble Plaque.

Bishop's Recommendation

The appeal for the construction of the Church and presbytery at Bajjodi is genuine. The faithful of the area are very enthusiastic and are in really need of a place of worship and have promised their support but their contribution will not be enough. Therefore I warmly recommend this project and appeal for your generosity towards this good cause. May God bless you abundantly.

† Rt. Rev. Dr. Aloysius Paul D'Souza
Bishop of Mangalore
